Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: the closest prior art references of record is the publication to Arnold (2003/0106046) and the article to Ramasamy; however, neither reference teach or suggest the features of "storing uninstrumented instructions associated with the instrumented functions of the parent process, suspending with the process monitor execution of the child process in response to detection of an initial breakpoint to replace each occurrence of a breakpoint in the address space of the child process with the uninstrumented instructions and resuming execution of the child process such that an uninstrumented version of the child process will be executed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Chavis whose telephone number is (571) 272-3720. The examiner can normally be reached on M-F, 9:00am-5:30pm, EST.
